

# The Cleaning Corner

*a monthly newsletter curated by Chores & More*

Well, hey. It's been a while.

So, we've fell off the newsletter wagon for a minute there. But in retrospect, *where the heck have the months gone?* How is it already almost March? And why did January last 638 days but February passed by in like 4 hours? I'm scared, but I digress. We're back & better than ever with our newsletter!

## What's new?

2024 is officially in full swing, & we're working hard on some amazing things. We launched our Deep Clean Specialist training with Ashlee & welcomed our newest cleaning expert, Kim, to the Chores family! Stay tuned for more!

# Fundraising Things

In April 2023, we became an official partner of **Cleaning for a Reason**, a nonprofit that pairs up local cleaning companies with cancer patients so they may receive free cleanings. Through our partnership, we've donated 20 free cleanings! In addition to those cleanings, we've pledged to raise funds for their mission - our goal is to raise another \$850 before April 1st - so we're hosting **two** fundraisers!
