STOP 🧤 IT'S LAUNDRY TIME

Do you ever feel like life is just one giant pile of laundry? Maybe you have “the chair” sitting in the corner of your bedroom that literally only serves the purpose of holding your clean, unfolded laundry. Did you know that we can help with that? ↓

ALL ABOUT LAUNDRY & LIGHT HOUSEKEEPING

Our laundry & light housekeeping service is the perfect service - whether you'd like to add it onto a full cleaning or book it on its own. During this service, the assigned cleaning technician (or “Chore Fairy”), will prioritize the folding of laundry, tidying up the house, putting things away, washing dishes, and light cleaning tasks.

If the thought of “cleaning for the cleaning lady” doesn't really resonate for you, this is exactly what you need!

MEET BARRY!

Barry joined our social media marketing campaigns back in December of last year, & has instantly become an online sensation! He loves finding solutions for himself & his wifey, so that they can live their best lives doing the things they truly love - instead of cleaning & house chores! If you haven't seen Barry yet, you can watch his most recent video on our Instagram or Facebook page - simply [click here!](#)

HAPPY ANNIVERSARY, JEANNINE!

This month is so special, because we celebrate our very own Jeannine's two-year anniversary with our company! She is hard-working, generous & a true asset to our team! Thank you for all you do, Jeannine! 🎉
